2020-2021

WILLOUGHBY

A LETTER FROM THE DIRECTOR OF GOLF

Gerry Knebels, PGA

Welcome to our upcoming 2020-2021 season. With our 2020 seasons' events cut short due to these current unprecedented times, and in a continued effort to create social distancing, the 2020-2021 schedule of events will have no guest play tournaments ~~and~~ events at this time ~~are~~ very limited. It is our hope that normalcy will return in 2021 and events can be added back onto the calendar.

As we look to the fall months, there are plenty of positives to report on both the golf course and Golf Shop. Golf Maintenance has had a good summer and completed many projects that will only enhance your golf experience. The new putting green is coming in nicely and the south range parking improvements look great. Our Golf Shop has a brand-new look, which has all of us very excited and ~~will be~~ completed ~~by~~ October.

The golf staff has been limited since last April when the Covid-19 virus ended our tournament season. While tournament play was halted, member play did increase during the months of April, May and the first part of June. Our staff is doing a great job chipping-in wherever possible and helping one another in the many areas of golf operations. I cannot be thankful enough for the effort put forth by all Willoughby staff over the past 9 months. We hope to have all of our furloughed staff back with us as soon as scheduling permits.

Our entire team looks forward to another great season and we can't wait to see you on the course.

Gerry Knebels, PGA
Director of Golf

TPI GOLF FITNESS TRAINING

TITLEIST PERFORMANCE INSTITUTE GOLF FITNESS TRAINING

About TPI

TPI is a program that is designed to increase player performance by understanding how the body functions during the golf swing. Since the late 1990's, there has been a major shift in how Tour players prepare and maintain their bodies for competition. Today's Tour players are stronger, faster, and more athletic than the generations that preceded them. As a result, TPI has created the concept of the Body-Swing Connection. The concept is designed to help each individual player, regardless of skill level, achieve maximum performance levels through better fitness, biomechanics, and overall health.

How the Program Works

The first step is getting a swing evaluation which can be achieved during a ½ hour lesson. The next step is to go through the TPI physical assessment screening which takes about 20 minutes. Once we have reviewed the results of the physical assessment screening, we can connect physical limitations with deficiencies that we see in the golf swing. At this point, we will then evaluate whether the physical limitations are such that we can work through them or around them. Certain injuries or prior surgeries will be taken into account as there are some physical limitations that we may need to work around. In the case of working through deficiencies, the next step will be getting the individual into the Fitness Center and going through the drills and exercises that will target these areas while executing a plan of action. There will be constant re-evaluations along the way in order to ensure that improvements are being made in the Body-Swing Connection. In addition, there is a visual screening that provides us feedback of how an individual sees putts or other short game shots. There will also be golf specific power, strength, and cardiovascular screening along with training programs to target these areas.

To summarize, TPI is a teaching philosophy and training program that is designed to help any golfer realize their maximum potential and physical ability. Hundreds of Tour Pros throughout the world have employed Teaching and Fitness Professionals with TPI certifications to help them achieve their highest level of performance. As a member at Willoughby Golf Club, you have the unique opportunity to work with a TPI Professional and take advantage of the opportunity to maximize your golf potential.

If you have any questions regarding TPI, please feel free to contact Skip Deaner at (772) 220-1196 or by email: sdeaner@willoughbygolfclub.com

JUNIOR GOLF

A "Junior Member" is the son/daughter of a golf member, at least 5 years of age and under the age of 23, living in the home of the member and attending school on a full-time basis. A junior member must abide by the Junior Golf Policy until the age of 18. Dress code applies.

A "Junior Golfer" is any golfer under the age of 18. A Junior Golfer must be registered in the golf shop by a golf member. Junior golfers requesting to play the course during peak hours must have an established handicap of 30 or less, be approved by the Golf Professional Staff and be accompanied by an adult.

Junior golfers age 12 and over may play unaccompanied, carrying their bag, after 3:00pm, subject to the discretion of the Golf Professional or authorized golf staff (see walking policy). Junior golfers must have Golf Shop permission to use the practice areas if unaccompanied. Junior golfers under age 16 who do not have a valid driver's license are not permitted to drive a golf cart on the course or on Willoughby property. Junior golfers under the age of 12 must be accompanied by an adult at all times both on the course and at the practice areas. Adults take precedence over Juniors at all times. Junior golfers are subject to all USGA and Willoughby Golf Club rules and regulations and must abide by the Club's Dress Code Policy.

Junior Clinics

Junior Clinics are offered year-round on Saturday mornings from 10:00am to 11:00am. These clinics are free to Resident Golf Members on a space available basis. Topics covered are rules, etiquette, short game, full swing, course management and fun events.

general information

ETIQUETTE 101

ARRIVAL AT THE CLUB

- Please arrive at least 30 minutes ahead of your scheduled tee time and utilize the bag drop on arrival. Our outside Services Staff will assist you.
- Locker Rooms have full changing and shower facilities. Golf and street shoe care is also available. **We kindly request that everyone change clothing and shoes in the Locker Room.**
- Carts and clubs will be waiting at the cart staging area outside of the Golf Shop.
- Please register in the Golf Shop and sign appropriate charge slips prior to proceeding to the first tee. The Golf Shop is open 7 days a week, 7:30am to 6:00pm from October 8th through May 10th. During the summer season, the club is closed on Tuesday's and the shop hours are 7:30am to 5:00pm.
- Equipment storage is offered at an annual fee. Inquire in the Golf Shop to make arrangements.

HOURS OF OPERATION

Pro Shop

- 7:30am to 6:00pm - All days in-season (mid-October through mid-May)
- 7:30am to 5:00pm - Wednesday through Monday in Summer - Closed Tuesdays

Practice Facilities

- 7:30am - 5:30pm All days in-season (Except Thursdays when the driving range is closed from 9:00am to 11:00am for maintenance)
- 7:30am - 6:30pm Summer

PLAYING THE GAME

- Golf members are provided range balls at no charge.
- Check with the Starter for starting order.
- Arrive at the first tee, prepared to play, 15 minutes prior to your tee time.

THE SPIRIT OF THE GAME

All players are expected to play in the spirit of the game by:

- Acting with integrity, by following the Rules, applying all penalties, and being honest in all aspects of play.
- Showing consideration to others, by playing at a prompt pace, looking out for the safety of others, and not distracting the play of another player.
- Taking good care of the course - for example, by replacing divots, smoothing bunkers, repairing ball-marks, and not causing unnecessary damage to the course.

SAFETY

- Players should ensure that no one is standing close by or in a position to be hit by a club, ball or any stones, pebbles, twigs or the like when they make a stroke or practice swing.
- Players should not play until the players in front are out of range.
- Players should always alert the green staff nearby or ahead when they are about to make a ~~stoke~~ that might endanger them.
- If a player plays a ball in a direction where there is danger of hitting someone, they should immediately shout a warning. The traditional word of warning in such a situation is "FORE".
- Observe all cart operating rules.

CONSIDERATION FOR OTHER PLAYERS

- Players should always show consideration for other players on the course and should not disturb their play by moving, talking or making unnecessary noise.
- Players should ensure that any electronic devices taken onto the course does not distract other players.
- On the teeing ground, a player should not tee their ball until it is his/her turn to play.
- Players should not stand close to or directly behind the ball, or directly behind the hole when a player is about to play.
- On the putting green, players should not cast a shadow or stand on another player's line of putt or when they are making a stroke.
- Players should remain on or close to the putting green until all other players in the group have holed out.

PACE OF PLAY

- The Pace of Play is four hours under normal playing conditions. Rangers are on the course to assist and encourage all golfers to play at the proper pace so everyone can enjoy their round.
- Please remember the importance of arriving at the first tee on time. If three members of a foursome are on time, they may be asked to tee off and have the tardy fourth player join them in the fairway.
- If the entire group fails to arrive on time, you have missed your tee time and will be required to wait for the next available opening.
- If a group has fallen behind and is unable to regain the proper position, the Ranger may have these groups skip a hole in order to regain their proper position on the golf course.
- If you hit a shot that may be lost or out-of-bounds, play a provisional ball to save time.
- The Rules of Golf only allows you a maximum of three minutes to search for a lost ball.
- It is a group's responsibility to keep up with the group in front. If you have an open hole ahead and you are delaying the group behind you, you should invite the group behind to play through (irrespective of the number of players in that group).
- Players should be ready to play as soon as it is their turn to play. When playing on or near the putting green, carts should be left in a position that will enable quick movement off the green and towards the next tee.

CARE OF THE COURSE

- Keep all 4 wheels on the cart paths at all tees and greens.
- Take good care of the course by replacing divots, repairing ball-marks, and not causing unnecessary damage to the course.
- Repair any damage to the putting green made by the impact of a ball (whether made by you or someone else) or damage to the putting green caused by golf shoes.
- Players should avoid causing damage to the course by removing divots when taking practice swings or by hitting the head of a club into the ground, whether in anger or for any other reason.
- Please fill divots with the sand that is provided.
- Before leaving a bunker, players should carefully fill up and smooth over all holes and footprints made by them and any nearby made by others.
- The head of the rake should be placed IN the bunker with the

ETIQUETTE 101

handle a few inches outside the bunker.
- In order to avoid damaging the hole, the head of a club should not be used to remove a ball from the hole.
- Do NOT drive the cart between the green and red balls short of the green. Exit fairways by driving outside the green ball.
- "Arrows Only" days are days where the course is open but too wet to allow unrestricted cart movement. On those days, all members (including those with handicap flags), must drive their carts strictly along the painted arrows and pay careful attention to the signs that will also direct cart traffic away from wet areas. Players are NOT permitted to drive their carts along the arrows to a point equal to where their ball is and then leave the arrows close to the ball. If this rule presents a significant hardship, it is recommended that the player not play on Arrows Only days.
- Leave the course in better condition than you found it.

COMPLETING THE ROUND

- Return carts to the staging area. Staff will clean clubs and place them in your vehicle or storage area.
- Complete scorecards in full including player names, date of play, assigned tee times and tees played. Ensure all player scores are posted in GHIN and drop the scorecard, signed and dated by you and attested by another player in your group, into the receptacles provided in the Golf Shop, Men's Locker Room and Cabana.

TIPPING

- WGC permits tipping to Outside Golf Services and to Locker Room staff.

GENERAL RULES

TEE TIMES

In season, tee times are determined by lottery. Tee time requests may be submitted via on-line requests or by completing tee time cards and depositing them in designated boxes in the Men's and Ladies' Locker Rooms. Accurate information regarding all players in the foursome along with requested date and preferred times should be completed in full.

Tee times will be made at 10:00am, four days in advance of the play date. After tee times are drawn, you will be emailed a confirmation with your assigned time. In addition, tee sheets will be posted in each Locker Room and on the Willoughby website.

Tee times may be made after the lottery is drawn by calling the Starter's office at 220-0083 or the Golf Shop at 220-1192.

- Please register all players, including guests.
- Fivesomes are NOT permitted.
- Observe any course information that may be posted on the #1 and #10 tees.
- If you miss your tee time, you will be required to wait for the next available opening.
- Please call the Golf Shop as far in advance as possible to cancel a tee time.

HANDICAP PROCEDURES

The purpose of the USGA Handicap System is to make the game of golf more enjoyable by enabling players of differing abilities to compete on an equitable basis. It provides a fair Course Handicap for each player, regardless of ability, and adjusts a player's Handicap Index up or down as the player's game changes.

In order to participate in WGC tournaments, members must have an active USGA approved handicap. To establish a handicap, a member must have turned in a minimum of five scores. It is the responsibility of each member to post an accurate score for each acceptable round of golf played. Do not post scores when you play in a scramble format or in a competition limiting the number of clubs used, or when the player plays alone. The golf staff is responsible for posting all Tournament scores and Men's and Ladies Day scores.

The WGC Handicap Committee has the responsibility of making certain that each player has a Handicap that reflects their potential ability. They utilize the Golfhits software program which interfaces with our tee sheet to determine if a score was posted for each round of golf played. Please be sure to notify the Starter or Golf Shop before you tee off if you or your foursome is playing a format that is non-postable.

A score must be posted for every round played. Post a 9-hole score when you play 7-12 holes. Post an 18-hole score when you play 13 or more holes. Post all scores, both home and away. You must include scores even when you haven't completed one or more holes or when you are asked to pick up when you are out of a hole. Record the most likely score as long as it doesn't exceed the maximum number you are allowed to post based on your individual handicap.

Please refer to the WGC Handicap Guidelines Booklet available in the golf shop or see one of our golf professionals if you do not understand any of the handicap procedures or are unsure of how to calculate unplayed holes.

GHIN (Golf Handicap Information Network)

This is a service established by the USGA to provide handicaps for players at subscribing golf clubs and associations.

You may also post scores by visiting GHIN's website at http://www.GHIN.com. Click the yellow "Post Scores" link near the top of the page, enter your GHIN number and last name and click the "Continue" button. Then add the appropriate information concerning your round of golf (Date of play, Home or Away course, number of holes played, Course played, Tees played, ESC score).

GENERAL RULES

There are several other things you can do on the GHIN website, including:

- Creating a profile. This will enable you to easily view your score history and handicap history and run a variety of reports.
- View your current Handicap Index or review other player's statistics.

You may also download the GHIN app to your iPhone, iPad or Android device for quick and easy score posting.

SAFETY

In the event of an emergency, dial 911 and then call Security at (772) 288-1716.

STORM/LIGHTNING WARNING SYSTEM

Thorguard lightning prediction systems are designed to predict lightning in our local area prior to a strike. The system will sound air horns when the possibility of a lightning strike becomes greater than an acceptable level for safety.

The "Red Alert" signal is a 15 second long blast and it is mandatory that all golfers seek shelter immediately. The golf course and the practice areas will be closed until the "All Clear" signal sounds. The system will sound three short blasts notifying you that the weather has improved.

As always, prior to the storm warning system sounding, you should use discretion to leave the course upon threatening conditions.

GOLF CARTS

Privately owned carts must be approved by the club as complying with the appearance and other standards set forth herein and as may be determined from time to time by the club. The Club currently requires all privately owned golf carts to be of traditional manufacture, four-wheel construction, have a top, be electrically operated, equipped with head and tail lights, horn and sand bucket. All carts must be kept clean, neat and freshly painted. Approved colors are white, beige and grey.

An annual trail fee, at a rate established by the Club, is required for privately owned golf carts. The trail fee is non-refundable.

- An individual must be 16 years of age and have a driver's license to operate.
- A maximum of 2 people/2 bags per cart is allowed.
- Observe all cart operating rules and course guidelines.
- Only two carts are permitted in each foursome and/or per tee time.
- Using the cart paths as much as possible will help minimize wear and tear on the course.
- Disabled flags can be obtained from the Starter. Procedures are listed below.
- All fleet carts must be returned to the cart barn by the end of the day.

HANDICAPPED PLAYERS

The Club recognizes the need to allow members with physical impairments to be able to approach our greens in their golf carts to a point closer than it allows members who are without physical impairments. At the same time, the club needs to do what it can within reason to protect the golf turf from undue wear in the areas around the greens so that all members will be able to play from the best possible turf.

Any member with a physical impairment who desires to take advantage of this program should request a Handicap Flag from the Starter, who will review the guidelines with each member. Each member receiving a Handicap Flag will also receive a copy of those guidelines and will be asked to sign a form acknowledging receipt of the flag and the guidelines.

"Arrows Only" days are days where the course is open but too wet to allow unrestricted cart movement. On those days, all members (including those with handicap flags), must drive their carts strictly along the painted arrows and pay careful attention to the signs that will also direct cart traffic away from wet areas. Players are NOT permitted to drive their carts along the arrows to a point equal to where their ball is and then leave the arrows close to the ball. If this rule presents a significant hardship, it is recommended that the player not play on "Arrows Only" days.

Handicap flags are issued on a temporary basis for as long as the impairment exists or on an annual basis for members with permanent disabilities. Whether the disability is temporary or permanent, all flags must be turned in at the end of the season and they will be reissued at the start of the following season for those who need them.

TRAIL PLAN

Resident Members may purchase an annual Trail Plan which gives them the right to use their privately owned golf carts on the golf course without payment of golf cart fees.

NR Full Golf and Executive Members may also purchase an annual Trail Plan which gives them privileges to use the Club's cart on the golf course without payment of golf cart fees.

A maximum of two riders per day are included with each Trail Fee Plan. Generally, this allows both the member and spouse to play each day without having to pay a cart fee. However, if the spouse doesn't play golf on a given day and the member plays with a guest, the guest's cart fee will be waived. If the member plays with a guest and the spouse plays golf that day, the guest will be charged a cart fee.

WALKING THE COURSE

Walking is restricted to times after 3:00pm or on days that the course is designated walking only due to rain and is subject to the discretion of the Golf Professional or Golf Shop staff. Please tune to Channel 63 or inquire at the Golf Shop. All walking golfers must check in with the Golf Shop prior to the start of each round and start on Hole #1.

Members may utilize push carts during the above times. They should remain on the cart path near the tee boxes and should never

GENERAL RULES

be brought closer than 30 feet to the green. Upon completion of the hole, players using push carts shall return to the golf cart path. Members must supply their own push carts. Push carts may not be motorized and wheels must be a minimum of 3 inches in width. Only single bag push carts are permitted. The Golf Staff can recommend push cart models that are in compliance with this policy.

Junior Members age 12 and over may play unaccompanied golf by walking and carrying their own bags.

DRESS CODE

For men, shorts must be Bermuda length (no more than 4" above the knee). Shirts must have a collar or mock turtleneck (as approved by the PGA Tour), sleeves and be tucked in. Jeans, denim or cargo shorts, cut-offs, gym shorts, tee shirts and tank tops are not permitted. This policy applies to all areas of the golf course, including the driving range and putting green.

For ladies, shorts and skirts must be Bermuda length (no more than 4" above the knee). If a shirt has no collar, it must have sleeves or if sleeveless, it must have a jeweled neckline resting on the collarbone with a finished edge (a small V is acceptable). Over blouses must cover the waistband. Denim apparel of any color, crop tops, tank tops, cut-offs and short shorts are not permitted.

No advertising slogans across the chest or back are permitted. Tennis attire is not appropriate on the golf course.

This dress code is mandatory for all players, including children and guests. Improperly dressed golfers will be asked to change before playing. If you are in doubt concerning your attire, please check with the Golf Shop before starting play. Any misuse or disregard of these rules can cause privileges to be reviewed or suspended.

Willoughby Golf Club is a soft spike only golf club. All players are required to use an alternative spike system such as soft spikes or spikeless shoes. Spider spikes are not permitted. Conventional metal spikes can be switched to soft spikes in either locker room. Always use caution when wearing soft spikes and walking on wet wood, steep slopes and hard smooth surfaces such as concrete, rocks, tile, marble and hardwood floors.

HOLE-IN-ONE POLICY

Each golf membership is billed $20.00 at the beginning of the season to create a "Hole-In-One" fund. When a hole-in-one occurs, the Golf Shop is notified and they contact the Men's Locker Room and The Point. All golfing members are part of the "Hole-In-One" club and are entitled to a free drink on the day the hole-in-one is scored. If the member has a guest that played golf on that day, he/she is also entitled to a free drink. If a guest of a golf member has a hole-in-one at Willoughby, he/she and the foursome are entitled to a free drink, but not the entire membership The Willoughby golf member or guest who has a hole-in-one receives a plaque, which comes from the hole-in-one fund, and a small plaque will be placed on the bench of the hole where the hole-in-one was scored. The Willoughby member who has a hole-in-one also receives a $250 gift certificate to the Golf Shop.

When the fund is depleted, each golf membership will be billed $20.00 to replenish the fund. The fund does carry over to the next season.

GUEST POLICY

Members may invite guests to the Club. However, from October 1st through September 30th (fiscal year), there is a limit of six times an individual guest can be invited to play golf.

A house guest may play more than six times during the fiscal year, paying the prevailing guest fees and cart fees each time provided he/she is a house guest for no more than 14 consecutive days. Members should request a guest pass for their house guests at the Administration Office of the Club.

Guest Fees are as follows:

October 15 through April 30

18 Holes	$80
9 Holes	$45

May 1 through October 14

18 Holes	$35
9 Holes	$20

Cart Fees

18 Holes	$30
9 Holes	$18

FAMILY GUEST POLICY

Each guest of a Full Equity or NR Full Golf Member who resides in excess of 100 miles from the Club may play a total of six times during the fiscal year without charge. Each family member of an Equity Associate and an Equity Executive member who resides in excess of 100 miles from the Club may play a total of six times during the fiscal year paying the same guest and cart fees as the sponsoring member. Beginning with the seventh and all subsequent rounds in the same fiscal year, each family member will be charged the prevailing family guest and cart fees.

Family is defined as sons/daughters, brothers/sisters, mothers/fathers, in-laws and grandchildren.

All family guests must be registered prior to playing. Register your guests in the Golf Shop by stopping by or by emailing proshop@willoughbygolfclub.com. The following information will be required when registering your family guests: Member Name and number, Family Guest's name, address, phone number and relationship to member.

RAIN CHECK POLICY

When your round is shortened by rain, please report to the Golf Shop to receive your rain check. Rain checks may only be issued in the Golf Shop by golf personnel.

For members and guests; full credit is given if less than 6 holes are played. Half credit is given if less than 12 holes are played.

Tournament Play—Every effort will be made to complete all scheduled activities. When this is not possible, a resolution on a case-by-case basis shall occur.

LOCAL RULES

1 Environmentally sensitive areas on Holes #2, #4, #13, #15, #17 and #18 are identified by red stakes with green tops and are to be played as red penalty areas. Entrance to these areas is prohibited. If your ball rests outside of the penalty area and your stance or swing is affected due to the environmentally sensitive area, you must take relief, one-club length, no nearer the hole - No Penalty.

2 Waste bunkers are located on Hole #2 along the marsh and in front of Hole #16. Club may be grounded.

3. Bulkheads on holes #8, #9, #12, and #13 are considered obstructions and are not part of the penalty area. Relief may be taken if your ball is not in the hazard.

4. The drop area behind the 4th green may be used for a ball entering the flowerbed; one stroke penalty. Lost balls must proceed under the lost ball rule.

5. The drop area on Hole #12 may be used as another drop option for any ball entering the penalty area; one stroke penalty.

6. If a ball lies in the General Area and a sprinkler head on the line of play is within two club-lengths of the putting green and within two club-lengths of the ball, the player may take free relief by dropping the original ball or another ball within one club-length of the nearest point of complete relief that is not nearer the hole, avoids the intervention and is in the General Area. The ball may be cleaned when lifted.

7. There is no penalty when a player ***accidentally*** causes his ball or ball-marker to move on the putting green, (see Rule 13.1.d) no matter how it happens. The moved ball or ball-marker must be replaced. This only applies when the player's ball or ball-marker lies on the putting green and any movement is accidental.

8. Out of bounds is defined by roadways and white stakes. Any ball coming to rest on or beyond Doubleton Drive or Haig Point is out of bounds, even if it comes to rest on another part of the course that is in bounds.

9. If a player does not know whether his or her ball is in the penalty area in the wetlands to the right on Hole #18, the player may play a provisional ball under Rule18.3. If the original ball is deemed to be lost in the wetlands, the provisional ball will become the ball in play. You may not proceed under Rule 17 once you have played this provisional ball.
